## Partners in Preservation Grant Overview

The State Historic Preservation Office (SHPO) offers matching, reimbursement **Partners in Preservation Grants** to Connecticut municipalities and 501(c)3 and 501(c)13 nonprofits for projects that advance the goals of the State Historic Preservation Office through a variety of historic preservation education, awareness, promotion, outreach and visioning initiatives.

Partners in Preservation Grants are funded by the Community Investment Act. *"The Community Investment Act"* (also known as Public Act 05-228) was signed into law on July 11th, 2005. The Act provides increased funding for open space, farmland preservation, historic preservation and affordable housing.

Partners in Preservation Grants are generally \$10,000 or less. Larger grants with a cap of \$50,000 are offered as funds are available. Please contact the Program Manager before applying. All grants must be matched 50%/50% with cash. State funds cannot be used as a match. A proposed project budget can exceed the total of the matching grant; however, additional sources of non-state funding must be identified on the Financing Plan and Budget. The grant recipient must expend the total project cost and reimbursement will be made upon approval of the final product. Funds for the entire project must be available and restricted for the purpose of the project at the time of application.

All work must be completed by a consultant who meets the Secretary of the Interior's Professional Qualifications Standards as published in the Code of Federal Regulations, 36 CFR Part 61. The use of state and/or federal funds requires an open bidding process. Project consultants cannot be pre-selected and any potential consultants cannot play any role in the design of the project or application.

## Application Information

### **Grants of up to \$10,000**

Applications are due by the 10th of each month. All complete applications will be reviewed by SHPO staff and considered for funding. Once an application is reviewed, SHPO will contact the applicant with any questions or if it needs points of clarification. If the application is complete, applicants will be asked to make a presentation to the Historic Preservation Council, which votes to recommend the awards of grants. The Historic Preservation Council meets the first Wednesday of each month. The Historic Preservation Council votes to recommend the award to the Advisory Committee on Culture and Tourism, which ultimately awards the grant.

### **Grants over \$10,000:**

Larger grants of up to \$50,000 require a pre-application that will be reviewed and approved by the Historic Preservation Council (HPC) to determine if a full application can be submitted. Applicants will be required to make a presentation of the pre-application to the HPC. The HPC meets the first Wednesday of the month. Once the HPC approves the pre-application, a full application is due by the 10<sup>th</sup> of the month. All complete applications will be reviewed by SHPO staff and considered for funding. Staff will take into consideration input from the pre-application meeting, and contact the applicant with any questions or if it needs points of clarification. Once the application is considered complete it will be placed on the next available agenda of the HPC. The HPC votes to recommend the award to the Advisory Committee on Culture and Tourism who ultimately awards the grant.
